

# SPRING INTO SUMMER

**MARCH -  
AUGUST**

**2011**

**with our Kaleidoscope of activities**

**NEWMARKET  
RECREATION**

## By going the Extra Smile!

First and foremost we apologize for the wait in getting this brochure out. We decided that it made more sense to produce a Spring/Summer Brochure rather than a Winter/Spring Brochure. We are very excited about making this decision. We hope you will be too after you have had a chance to peruse what we have to offer! Not only are we adding new programs like Zumbatomics, but we have also made a few minor changes to camp including officially changing the name of our Summer Camp program to CAMP WANNA IGUANA! Since we have been "wanna iguana-ing" for many years now, we felt it was a given.

So sit back with a cup of coffee and a highlighter as you read through our first Spring/Summer brochure from front to back and sign your family member up for one of our many programs or classes.

Be it with fast and friendly service, knowledgeable advice, or a listening ear, the staff at the Newmarket Recreation Department feel that the families of Newmarket expect and deserve a place that meets the needs of a small town and close knit community. We will strive to get to know you and your family in order to better serve you in any way we can. The Newmarket Recreation Department has always been your destination for all types of exciting activities, special trips, and seasonal fun but we now wish to expand our role in the community. We feel we are not just a business or a community center, but an extension of the small town ethic, trying to provide you with friendly and accommodating service. We are your home away from home, a true center for the town of Newmarket!

In providing a recreation outlet to our customers, our goal here at Newmarket Recreation is to offer a variety of introductory courses that allow all individuals the opportunity to be exposed to new leisure experiences. In doing this, we strive to create an inclusive recreational culture that works for all members of the community, regardless of differences or background. We hope you'll catch the wave and "wanna iguana" often at Newmarket Recreation by participating in several activities that we offer in our 2011 Spring/Summer Brochure.

# FACILITY USAGE POLICIES & PARK FACILITY ADDRESSES & LOCATIONS

## Parks and Trails

A more detailed outline of what each park/facility has to offer is available at the Community Center.

## Reserving Facilities Space

The Newmarket Community Center has several meeting/classrooms available for use should your local nonprofit organization require space for a meeting. If you are interested in booking one of our facility rooms, you will need to stop in the Community Center and see the operations manager for a request form. Please have your proof of nonprofit status (501)C3 Form with you at this time. If you have any questions call 659-8581.

## Gazebo Reservations

If you should like to reserve the gazebo located at the Leo Landroche Field for a private function, you must be a town resident and make your request in person at the Community Center during normal operating hours.

## Field Reservations

All coaches of any sport must direct their request for field use to their league president. If you are the president of your particular sports organization and would like to reserve field time for your teams, you must come in to the Community Center and reserve the fields in person. Only league presidents will be able to book field time for all teams involved.

# REGISTRATION INFO & POLICIES

## Registration Procedures:

Newmarket Recreation's registration process through a software program entitled RecTrac allows for us to keep you and your family in a registration database which allows for a faster registration process. You may either fill out and bring in this registration (page 12 of this brochure) or mail with check payment to Newmarket Recreation 1 Terrace Drive, Newmarket NH, 03857.

## Payment Options:

All payment registrations will be taken at the Community Center. Currently Newmarket Recreation will accept cash or checks for all Newmarket Recreation programs only. Drop-In\*\* classes are those classes that you pay on the day of the program (i.e. exercise classes). Some drop-in programs require RSVP notice. For all contracted (not staffed by employees of the Newmarket Recreation department) programs, payment must be made in the form of a check or money order. Sorry, no cash registrations when a class is not run by the Newmarket Recreation Department. All contracted classes are noted in the brochure under class description on payment procedures.

## Refund Policy:

Refunds will be made in the event that a program or trip is cancelled, filled, or if our scheduling changes prohibits your attendance. Refunds will be made if your request is in writing and is at least one week in advance of the starting date. Refunds take at least two weeks to process.

## Waivers:

All Children under 18 years of age must have their parents fill out and sign a Newmarket Recreation Registration and Participation Waiver form to participate in any program or trip. We will also be asking each adult to fill out this waiver as well. This information is done through the RecTrac program. We will be requesting medical & emergency information for each person in the household upon your first registration with us.

## Payment Policy:

All registrations must include payment. (N.R.D. denotes that a Non-Refundable Deposit is required upon registration) If you have any questions, feel free to contact us.
